

## Workshops

### **Applications and Licensing Outside the Box (Pathway only)**

9.10 a.m. Wed 22<sup>nd</sup> Sept, Pathway Technical Stream

Moderators: Steven Feldman, Lake Macquarie City Council and Michelle Formosa, Wollongong City Council.

Learn how you can get more from Pathway Applications and Licensing. Share your innovative and creative uses of these two important modules.

Topics suggested so far for this workshop include –

- Merge type and extract tips & tricks, including fill-in's, Yes/No documents and associated extracts
- The use and benefits of development categories in Pathway and e-Pathway
- Application/licence fees, including fees based on dimensions, development categories and formulas

No cost.

### **Implementing Hansen 8 (Hansen only)**

2 p.m. Wed 22<sup>nd</sup> Sept, Hansen Technical Stream

Moderator: Gina Chapman, City of Whitehorse

Draw on the Hansen 8 implementation and upgrade experiences presented at the Forum to discuss, share ideas and ask questions.

No cost.

### **Auditing and Archiving (Pathway only)**

2.30 p.m. Wed 22<sup>nd</sup> Sept, Pathway Technical Stream

Moderator: Michelle Chapman, Clarence City Council

Come along to a discussion of Pathway Auditing and Archiving Requirements and how Pathway does, or could, support these.

No cost.

### **Get Together Outside the Box (multiple workshops, Pathway and Hansen)**

11.10 a.m. Wed 22<sup>nd</sup> Sept.

Chair: Michelle Chapman

Got a hot topic? Looking for some like-minded folk to thrash it out with? Would you like to get together with other customers to learn more about what interests you? Nominate your discussion topic or register for a discussion that interests you.

No cost.
